

Docket No. 200311400-1

Remarks

This Amendment is responsive to the Notice of Drawing Inconsistency of March 8, 2006. The Notice states that Figures 12b and 13b are contained in the Drawings but are not listed in the Brief Description of the Drawings in the specification.

The present amendment lists Figures 12b and 13b in the Brief Description of the Drawings. The figures are associated with Figures 12a and 13a and are thus listed together.

Applicant believes the present amendment cures the drawing inconsistency. The present application should now be in condition for allowance.

The present response is being filed within one month from the mailing date of the Notice and thus no additional fees are believed necessary.

Respectfully submitted,

APRIL 6, 2006
